# Subpart A—General Provisions

#### § 1003.1 Applicability and scope.

The policies and procedures described in this part apply to grants to eligible applicants under the Community Development Block Grant (CDBG) program for Indian tribes and Alaska native villages.

## § 1003.2 Program objective.

The primary objective of the Indian CDBG (ICDBG) Program and of the community development program of each grantee covered under the Act is the development of viable Indian and Alaska native communities, including decent housing, a suitable living environment, and economic opportunities, principally for persons of low and moderate income. The Federal assistance provided in this part is not to be used to reduce substantially the amount of tribal financial support for community development activities below the level of such support before the availability of this assistance.

## § 1003.3 Nature of program.

The selection of single purpose grantees under subpart B of this part is competitive in nature. Therefore, selection of grantees for funds will reflect consideration of the relative adequacy of applications in addressing tribally determined need. The selection of grantees of imminent threat grants under the provisions of subpart B of this part is not competitive in nature. However, applicants for funding under either subpart must have the administrative capacity to undertake the community development activities proposed, including the systems of internal control necessary to administer these activities effectively without fraud, waste, or mismanagement.
